Intro Am/C/F (G) Am/C/F (G)

Am C
For a long time F (G)
the future was the root of our life

Am C
We had something to grow towards
something to go to F
to flow with (G)

Am C
But now it seems
another future has come at last F C

Dm G
and all we are
is a withered past

Am C
Then it would shine again
as a vision of life F (G)

Am C
a presence too strong for us
too deep to go to F
to flow with (G)

Am C
And now it seems
another future has come at last F C

Dm G
and all we are
is a withered past

C
Nothing is lost
nothing is found
waiting in a future
that doesn't come around F
Nothing is lost in it
but nothing is found
So I refuse to move G C

C
Time has become a pit
where I feel I've drowned G
listening for a future
that doesn't make a sound F

Nothing is lost in it
but nothing is found
(G)

C G
All I can do
is letting you know F

every day

that I love you

C G Am F
Hoping that one day the future returns
G Am F Bb C
Hoping that one day the feeling returns

Am Finding the past is easy *C F (G)*
Am It lies open on the ground *C F (G)*
Am Scattered around for those
 who are willing to see *C F C*
Dm Patiently dreaming to be bound *G*

C
 Nothing is lost
G
 nothing is found
 waiting in a future
 that doesn't come around *F*
 Nothing is lost in it
 but nothing is found
G C
 So I refuse to move

C
 Time has become a pit
 where I feel I've drowned *G*
 listening for a future
 that doesn't make a sound *F*

Nothing is lost in it
 but nothing is found

(G)

C G
 All I can do
 is letting you know *F*

every day

that I love you

C G Am F
 Hoping that one day the future returns
G Am F Bb C
 Hoping that one day the feeling returns

Am C
 Deep down in infinity it lies
F G
 curled up and trembling with a shiver
Em
 to be seen held touched kissed
 and to rise
F G
 into life like a river

So
C G
 all I do
 is letting you know *F*
 every day

that I love you

I still love you

C G Am F
 Hoping that one day the future returns
G Am F Bb C
 Hoping that one day the feeling returns
C G Am F
 Hoping that one day the future returns
G Am F Bb C
 Hoping that one day the feeling returns
